

# FADI

## integrated panel

Solar connected wall light FADI has a sleek and modern look. The wall lamp has a convenient sensor which will automatically turn on when it gets dark. Can be used as fence lighting or facade lighting. Thanks to the connected module you can light your outdoor space completely to your personal taste via the free app. During the day the lamp will charge itself by means of the solar panel, so that in the evening and at night you can enjoy the cozy warm white light in your garden.
